About DSISTD

The Delhi State Institute Of Secretariat Training & Development (DSISTD), serve as an autonomous body for different sectors of the Indian industry. The primary objective of DSISTD is to provide training to officers belonging to the Central/State Government Service, as well as officers from other organized/subsidiary services that operate within the State and Central Government. This training aims to enhance the skills, knowledge, and capabilities of these officers, enabling them to perform their duties more effectively and efficiently. In essence, DSISTD plays a crucial role

in the professional development of government officers, contributing to the overall improvement of administrative services within the central and state government.

Capacity Building Initiatives of DSISTD

In an era defined by rapid technological advancement and evolving governance challenges, continuous learning has become essential for effective public administration. While field experience remains invaluable, exposure to global best practices, policy innovations, and emerging technologies is critical for enhancing decision-making and public service delivery. In this context, we are pleased to introduce our specialized “Study Tour” programme—an exclusive international learning initiative designed for senior government officials and policymakers. This programme offers participants a unique opportunity to engage with global governance models, gain first-hand insights into international administrative practices, and bring back actionable learnings to strengthen governance frameworks within their respective departments.

DSISTD has also played a pivotal role over the Past 15 years in capacity building of various stakeholders (Govt PSU PVT) in order to achieve the productivity mandate. The training programs of DSISTD are primarily focused on developing human resource: people who can act as catalysts for the productivity movement of Indian economy across various domains .

The Training calendar of DSISTD for the Financial Year 2026-27 is compilation of several international study tours covering various topics.

DSISTD also conducts focused designed training programs as per special and customized requirements of client organisations .
